Announcement

Connection of Alpha Web Banking to the CY Login Government Portal

Alpha Bank Cyprus Ltd wishes to inform its Customers that it has completed the process of connection to the "CY Login" (Ariadni) Government Portal. This enables the Bank to offer its Customers access to a wide range of electronic services of the Republic of Cyprus, through the authentication option available via "**Alpha Web Banking**".

By authenticating their details in the "CY Login" Government Portal, Alpha Bank's Customers will now be able to settle any outstanding matters with the Government, easily and quickly, without having to visit government services. More specifically, through the "CY Login" Government Portal, users can submit applications and obtain access, among others, to the following:

- Tax Information
- Settlement Schemes
- Youth and Female Entrepreneurship Grant Schemes
- Building Energy Certification System
- Search Certificate for Sales / Contracts of Sales
- Application for Copy of Certificate of Registration (Title) of Immovable Property
- Immovable Property Search Certificate
- Application for Copy of Cadastral Plan or Application for Property Declaration
- Social Insurance Contribution Statement for all Years
- Temporary Calculation of the Amount of Old-Age Pension.

For direct authentication in the "CY Login" Government Portal, users must:

- Have passwords for "Alpha Web Banking" and
- Have activated the "Alpha SecureCode" service via the "ALPHA BANK CY" app on their mobile phone.

More information is available at the Bank's Branches or at 22 888888.
