

ALPHA BANK

ANNOUNCEMENT

The European Central Bank decided on 15th December 2022 to increase the main refinancing rate from 2% to 2,50% **with effect from December 21st**.

Following this decision, Alpha Bank Cyprus Ltd announces that its base rate for loans granted before 01/01/2008 and whose interest rate is linked to the European Central Bank's main refinancing rate is increased from 2% to 2,50%, **with effect from December 21st 2022**.

All other loans and deposits are not affected by the above mentioned change. For more information please contact your local Alpha Bank branch.

Nicosia, December 21 2022
