If, for example, a depositor has a deposit of €75,000 and an overdue balance of €5,000 from a loan, upon activation they will receive €75,000 minus €5,000, i.e. €70,000.

15.5. In some cases (for example, deposits from real estate transactions involving private dwellings and deposits serving social purposes set out in the Regulations), deposits are protected for amounts in excess of the maximum limit in the relevant legislation. 4. Mandate

4.1. The Account Holder must ensure that details designated as required for the Mandate are provided correctly and in full.

4.2. The Account Holder must complete and sign the Mandate before sending it to the Creditor. The Account Holder acknowledges that the Bank will not receive a copy of the Mandate and is not obliged to check its contents.

4.3. The Account Holder may cancel or amend a Mandate by communicating directly with the Creditor and with no involvement by the Bank.

4.4. Upon the Account Holder’s request, the Bank shall request a copy of the Mandate plus all other relevant information concerning a SEPA Core Direct Debit from the Creditor Bank, and, will provide the Account Holder with the relevant information made available to the Bank by the Creditor Bank.

4.5. The Account Holder agrees that it will comply with the terms of the Mandate agreed with the Creditor.

4.6. If a Creditor does not present a Collection under a Mandate for a period of 36 months from the date of presentation of the last Collection, even if this has been Rejected, Returned or Refunded, the Creditor is obliged to cancel the Mandate and is not allowed to initiate Collections based on the cancelled Mandate. If there is a further requirement for a direct debit, a new Mandate must be established.

5. Pre-notification, collection and Debiting

- 5.1.** The Creditor should give the Account Holder pre-notification at least 14 Calendar Days before the Due Date of any proposed collection. The Creditor is obliged to notify the Account Holder of the amount and Due Date unless another time limit is agreed between the Debtor and the Creditor. For recurrent Direct Debits the pre-notification can also include the schedule of payments.
- 5.2.** The Bank must receive the collection request at least 1 Interbank Business Day before the Due Date. In the event that the time limits specified further above are not complied with, the Bank may reject the collection request.
- 5.3.** The Creditor or the Creditor Bank may change the Due Date and the Account Holder is hence obliged to maintain funds in the Account at all times in order to enable the Bank to execute the SEPA Core Direct Debit transaction.
- 5.4.** The Bank is not obliged to check the Creditor's entitlement to a SEPA Core Direct Debit or the details contained in the collection request. In particular, the Bank is not obliged to check that a valid Mandate exists for the Account Holder. Furthermore, the payment shall be debited from the Account based solely on the IBAN (International Bank Account Number) provided in the collection request, without comparing it the Account Holder's name and address. Provided that the Bank reserves the right to carry out such a check at its own absolute discretion and in case of a discrepancy is entitled not to process the collection and return it to the Creditor Bank.
- 5.5.** The Account will be debited on the Due Date with the amount specified by the Creditor in the collection request which is transmitted by the Creditor Bank and received by the Bank. If the Due Date is not a Working Day, the Account will be debited on the next Working Day provided that it is also an Interbank Business Day. If the Due Date is not an Interbank Business Day, the Account will be debited on the next Interbank Business Day provided that it is a Working Day.
- 5.6.** On the execution of the collection of the SEPA Core Direct Debit and the consequent debiting of the Account, the Bank shall make available to the Account Holder the information of the executed Direct Debit as provided in the Bank's General Terms and Conditions.

6. Prohibition, Limitation, Prevention and Refusals

6.1. Prohibition, Limitation and Prevention

The Account Holder has the right to prohibit the execution of SEPA Core Direct Debits from the Account and/or any account in his name with the Bank or limit the Collection of a SEPA Direct Debit to a specified amount or periodicity or both or prevent any SEPA Direct Debits from one or more specified Creditors or only approve SEPA Direct Debits from one or more specified Creditors by notifying the Bank to this effect on the Bank's relevant document. On receipt of such notice by the Bank, the Bank will refuse to allow the execution of any SEPA Core Direct Debits from the Account and/or any account in the Account Holder's name with the Bank for which the execution of SEPA Core Direct Debits has been prohibited, even if a collection request is subsequently received. Any such notice must be given to the Bank at the latest on the Banking Business Day which precedes the Due Date and within the times stated in Appendix A.

6.2. Refusals

- 6.2.1.** The Account Holder may request the Bank to refuse and not to pay any future collection based on the information received by the Account Holder through pre-notification or for any other reason, without providing any reasons for doing so. Any such notice must be given to the Bank at the latest on the Banking Business Day which precedes the Due Date and within the times stated in Appendix A.
- 6.2.2.** In case that the Bank accepts such a request, the Bank shall inform the Creditor Bank that the collection has been rejected as specified in clause 7 further below. When handled by the Bank after Settlement, the Account Holder's refusal will be handled as a refund request as described in paragraph 8 further below.

7. Rejects & Returns

- 7.1.** The Bank is authorized and entitled to prior to Settlement, reject a collection request and is authorized and entitled to after Settlement return a collection request to the Creditor Bank without first consulting the Account Holder for:
 - 7.1.1.** Technical reasons (e.g. invalid format, wrong IBAN check digit, bank identifier code (BIC) incorrect), and/or
 - 7.1.2.** Account-specific reasons (e.g. the Account specified in the collection is closed, Account Holder deceased, Account Holder does not permit a SEPA Core Direct Debit to be made, insufficient funds), and/or
 - 7.1.3.** Domestic legal obligations or legal obligations that are provided by union law that supersede the terms of the present Section, as provided in article 93 of the Law and/or,
 - 7.1.4.** Unusual and unforeseen circumstances which are beyond our control, as provided in article 93 of the Law, and/or
 - 7.1.5.** Refusal by the Account Holder as provided in clause 6 further above.
- 7.2.** When rejecting or returning a collection request, the Bank is authorised by the Account Holder and entitled to state the reason for the rejection or refusal to all parties involved in the Collection request concerned, including the Creditor.

8. Refunds

8.1. Refunds for SEPA Core Direct Debits without the provision of any reasons

- 8.1.1.** The Account Holder is entitled to request the refund of any SEPA Core Direct Debit within eight weeks from the date on which the amount of the SEPA Core Direct Debit was debited from the Account of the Account Holder, without having to provide reasons for such a request and the Bank will be obliged to refund the Account Holder at least before the end of the next Interbank Business Day.
- 8.1.2.** Any refund made to the Account Holder pursuant to clause 8.1.1 does not relieve the Account Holder of the responsibility to seek a resolution with the Creditor nor does the payment of a Refund influence the outcome of the resolution.

8.2. Refunds for unauthorised SEPA Core Direct Debits

- 8.2.1.** If the eight week period from the date on which the amount of the SEPA Core Direct Debit was debited from the Account has elapsed, the Account Holder is entitled to request only the refund of any unauthorised SEPA Core Direct Debit up to but not later than 13 months from the date on which the amount of the SEPA Core Direct Debit was debited from the Account of the Account Holder. In such a case, the Account Holder must request a refund of the SEPA Core Direct Debit from the Bank, providing any supporting evidence if available. Once the Bank receives such a request, it may request a copy of the Mandate from the Creditor Bank.
- 8.2.2.** Once the Bank has determined that a transaction so challenged is unauthorised in accordance with article 71 of the Law, it is obliged to immediately refund the Account Holder in accordance with the Law. If the Bank determines that the refund claim will be rejected, it will inform the Account Holder accordingly and supply the Account Holder with the relevant supporting evidence received from the Creditor.
- 8.2.3.** The decision as to whether the amount should be refunded lies solely with the Bank, taking into account any documents (in particular the copy of the SEPA Core Direct Debit Mandate) plus the details provided by both the Creditor and the Account Holder. The Bank's decision is final for the participants of the SEPA Core Direct Debit Scheme as defined in the SEPA Core Direct Debit Rulebook.
- 8.2.4.** The Bank shall inform the Account Holder of its decision in a suitable manner and no later than 30 Calendar Days after the receipt by the Bank of the Account Holder's request for the refund of a SEPA Core Direct Debit. Should the request be rejected, the Bank shall inform the Account Holder without delay of its decision and supply the relevant supporting evidence received from the Creditor to the Account Holder.
- 8.2.5.** If the Bank decides to accept the Account Holder's request for a refund, the Account will be credited by the Bank with the amount of the disputed collection with the value date being the day on which the Account was debited with the disputed amount.

8.3. Timing Requirements

The Account Holder is obliged to claim refunds for authorised SEPA Core Direct Debits within the relevant time limit specified in clause 8.1 and in relation to unauthorised SEPA Core Direct Debits within the relevant time limit specified in clause 8.2 hereinabove. Any request for refund after outside the aforesaid time limits will be rejected by the Bank.

9. Closed Account of the Account Holder

- 9.1.** The Bank is obliged to execute all rejects, returns and refunds as specified in clauses 7 and 8 further above even if the Account Holder's Account is closed.
- 9.2.** The Bank will effect refunds requested by the Account Holder after the closure of any Account with the Debtor Bank subject to the terms of clause 8 further above.

10. Account Holder's obligations to the Creditor

The Account Holder acknowledges and accepts that refusing or rejecting or requesting a refund for any SEPA Core Direct Debit does not release the Account Holder from any contractual or other obligations toward the Creditor and further affirms that issues in respect of disputes between the Account Holder and the Creditor must be resolved between the Account Holder and the Creditor.

11. Reversals

If a Creditor or the Creditor Bank requests the reversal of a SEPA Core Direct Debit, the Bank is obliged to fulfil this request without the Account Holder's prior agreement and with no obligation to check whether the original collection was debited to the Account Holder's Account or was rejected, returned or refunded.

12. SEPA Core Direct Debit Refunds

- 12.1.** Any amounts credited to the Account Holder's Account will be equal to the amount of the original SEPA Core Direct Debit in Euro regardless of whether the Account is held in Euro or in a different currency.
- 12.2.** If the Account is held in a currency other than Euro, the Account Holder authorises the Bank to consider the receipt of any collection request under the SEPA Core Direct Debit Procedure, as a request for a currency conversion from the currency of the Account to Euro in order for the SEPA Core Direct Debit to be executed in Euro. In such a case, unless otherwise agreed with the Account Holder, the conversion from the Account currency into Euro will be made at the Bank's "Buying" rate in relation to the Account currency applicable on the Due Date.

13. Currency Risks

As collections under the SEPA Core Direct Debit Procedure are only made in Euro, the Account Holder acknowledges that he/she may be subject to a currency risk in the following instances:

- (a) The amount he/she owes the Creditor is in a currency other than Euro,
- (b) The amount is to be debited from an Account that is not held in Euro.

14. Change of Account Holder's Details or Account transfer

14.1. It is the Account Holder's obligation to inform the Creditor in case that the Debtor decides to use another account in the Bank or in another financial institution for the execution of a SEPA Core Direct Debit.

14.2. The Bank is authorised but not obliged to, in case of change of the IBAN code of the Account Holder or transfer of the Account of the Account Holder to another branch, to notify the new IBAN code to the Beneficiary. In such a case, the SEPA Direct Debit instruction will continue to be in force.

15. Fees

The Account Holder authorises the Bank to debit the Account with the expenses and charges in force for the execution of the SEPA Core Direct Debit, for any currency conversion and any stamp duties according to our Charges Catalogue in force from time to time.

16. Availability of funds and Cancellation of a SEPA Core Direct Debit

- 16.1.** It is the Account Holder's obligation to ensure that there are sufficient available cleared funds in the Account so that the Bank can execute the SEPA Core Direct Debit.
- 16.2.** The Account Holder accepts that the Bank may refuse to execute a collection request where there are insufficient available cleared funds in the Account as stated hereinabove.
- 16.3.** The Account Holder accepts that the Bank is not obliged to execute any SEPA Core Direct Debit on a future date if the SEPA Core Direct Debit could not be made on the Due Date due to the lack of available funds in the Account or for any other reason.

17. Notice of Termination

Both contracting parties are entitled to terminate the agreement for the execution of SEPA Core Direct Debits as provided in the Bank's General Terms and Conditions. Once the agreement has been terminated, all collection requests shall be rejected by the Bank, even if the corresponding Mandate has already been signed prior to termination without the Bank being obliged to inform the Account Holder.
