(1): A telephoned notice of a **claim must** be reported to **GenAssist TPA Ltd** on **22 519 211** between the hours of **9am** and **5pm** daily and within **25 (twenty-five) days** after the occurrence or start of any loss or event covered under this Insurance.

(2): **Alpha Bank Protection Claim Forms** can be obtained from:

GenAssist TPA Ltd, PO Box 23465, CY-1683 Nicosia, Cyprus

Tel No: 22 519 211

Fax No: 22 499 830

e-Mail: office@genassist.eu

(3): The Cardholder **must** provide **GenAssist** with **all** of the information that they will need to allow them to examine and adjust the claim correctly and so pay the claim fairly and properly.

(4): Many claims for lost, stolen or accidentally damaged items are caused by persons **not** being careful enough with their new purchase(s). If the Cardholder does **not** take good care of their property, the Insurance Claim Examiner may totally, or partially reject, any claim subsequently made. Covered Articles are **not insured** if packed in Baggage and otherwise **must** be kept with the Cardholder at **all** times, until finally reaching their normal place of residence.

(5): Liaison with the Police and **obtaining written Police Reports** to support a claim is the sole responsibility of the valid **Alpha Bank Cardholder** and **not GenAssist** or **Altius Insurance Ltd** or **Alpha Bank Public Company Ltd**. Loss and/or Theft of articles **must** be reported to the local Police within **12 (twelve) Hours** and a **written Police Report must be obtained**.

(6): **Claims for Damaged Items:**

A Repair Estimate **must** be obtained either stating the cost of repairs or confirming that the article is beyond repair. **Salvage must** be retained for possible inspection together with a **photograph** of the damaged article where appropriate. For lost, stolen or damaged property, the Cardholder **must** provide a detailed description of the covered article along with its date of purchase and its value, allowing for any wear and tear at the time of the incident. **Bills, invoices** or other **proof of values are required** for every article claimed as lost, stolen or damaged within **90 (ninety) days** of purchase.

(7): If purchased abroad, Covered Articles are **not insured** if packed in Baggage that the Cardholder **checks-in** at an airport or other departure zone. These **must** be kept with the Cardholder at **all** times. Should the Cardholder purchase particularly valuable items abroad which may be bought at more than a purchase price of **€500.00**, such purchase(s) **must** be insured under a separate **Transit Insurance** policy, because this Purchase Protection Insurance **cannot** guarantee that such articles will be covered for their full replacement value if lost, stolen or accidentally damaged.

(8): Under **no** circumstances should newly purchased Covered Articles ever be left **unattended** or with persons **not** known to the **Cardholder**, particularly at an airport, in a hotel or in vehicles (even if protected by an alarm), or **any** public place or **any** area that has common access

including, but **not** limited to, on a beach, or beside a swimming pool (even if concealed); or in a bag or coat hanging off the back of a chair; or left in a cloakroom even if monitored by security staff and/or security cameras (such as **CCTV**).
