## **Alpha Bank Cyprus Ltd supports the State Health Services Organisation with the donation of state-of-the-art medical equipment for Nicosia General Hospital**

**Alpha Bank Cyprus Ltd** is actively supporting the **State Health Services Organisation (SHSO)** in the fight against the Covid-19 pandemic, by helping to cover the needs for medical equipment of the Intensive Care Unit at Nicosia General Hospital.

More specifically, as part of its Social Responsibility Program, the Bank has donated to Nicosia General Hospital a state-of-the-art breathing support machine (Carescape R860 ventilator). Thanks to its “smart” technology, the ventilator is expected to greatly assist medical and nursing staff in providing individualised treatment to patients.

The medical equipment, which will be placed in the ICU of the Nicosia General Hospital, was handed over to Mr. Marinos Shaxiates, Head of Strategic Planning and Marketing of the State Health Services Organisation and Mrs. Irene Prokopiou, the Organisation’s Chief Operating Officer, by Mrs. Elena Constantinou Riri, Manager of the Marketing and Public Relations Division of Alpha Bank Cyprus Ltd

Fully aware of its role and responsibility towards society, Alpha Bank Cyprus Ltd will continue to actively support the needs of the State Health Services Organisation in addressing the health crisis.
