

Press Release

Alpha Bank Cyprus Ltd supports society for yet another Christmas

Alpha Bank Cyprus Ltd continues its tradition of spreading love to fellow humans during this holiday season through a series of social contribution activities, in the framework of the **Bank's Corporate Responsibility Programme**.

For yet another year, instead of greeting cards and gifts, the Bank has chosen to offer financial support, food supplies and other necessities to the Non-Governmental Organisations **Europa Donna Cyprus** and **Vagoni Agapis**, to support families in need and cancer patients.

The Bank has also participated in the annual “**Adopt a Family for Christmas**” campaign of the **Pancyprian Volunteerism Coordinative Council** as a Main Supporter, purchasing gift vouchers for basic necessities so that every family without exception can enjoy a wonderful Christmas meal.

True to its principles, Alpha Bank Cyprus Ltd continues to respond to the needs of the Cypriot society in practical ways, offering meaningful support and strengthening efforts for greater cohesion and solidarity in our society.
