CATALOGUE OF INTEREST RATES AND CHARGES FOR INDIVIDUALS AS OF 25/08/2025 (Hereinafter the 'Catalogue')

The Catalogue displays, using a representative example, the interest rates, expenses, applicable charges and the Annual Percentage Rate of Charge (A.P.R.) in relation to banking products offered by the Retail Banking Sector of Alpha Bank Cyprus Ltd (hereinafter the 'Bank'). In addition, the Bank offers its customers further banking facilities, for which the aforementioned information may differ from client to client and is related, amongst others, with the type of banking facility, the risk assumed by the Bank, the expected volume of transactions with the customer, whether the Bank has been provided with security that it considers adequate or not, as well as the type of each security provided.

The Interest Rates, expenses and applicable charges may be revised from time to time, and in such a case you will be notified accordingly via a revised Catalogue in our website, through the Branch Network, the press, or by any other form of notice.

Alpha Bank Cyprus Ltd makes the maximum possible effort to ensure that the information enclosed in the Catalogue is correct and accurate. It is hereby understood that, in case a credit facility is granted to you, the terms and conditions relating to the provision of that credit facility, which shall include, among others, the interest rates and the mode in which they may be charged and amended from time to time as well as the level, mode of charge and amendment of any commissions or applicable charges, shall be given to you in writing. In the case of credit facilities that fall into the scope of the Consumer Credit Law of 2010 (N.106(I)/2010) and/the Law Governing Agreements with Consumers relating to Residential Property of 2017 (N. 41(I)/2017), as they may be amended from time to time, you will be given in writing all the additional information prescribed by them, including the A.P.R. The information enclosed in the Catalogue, is in no way replace any terms and/ or conditions already in place and which pertain to products/ schemes offered by the Bank. For more information regarding the bank's products, visit any Alpha Bank Cyprus Ltd branch, or our website at: www.alphabank.com.cy, or contact our Customer Service Line on 22888888.

NOTES:

The **A.P.R.** has been calculated based on the Bank's annual interest rate, the assumed credit amount, the credit period, the fees and other applicable charges mentioned in the above table. It is hereby understood that the A.P.R. and/ or where applicable the amount of the installment and/ or where applicable the aggregate amount that the consumer must pay will be modified in case there is any change in the Bank Base Rate (BBR) or the Consumer Loan Base Rate (CLBR) or the Housing Loan Base Rate (HLBR), accordingly, on the margin, the credit period (where applicable) the repayment period (where applicable), and the timing, level and frequency of installments (where applicable) and any other charges, fees and applicable charges.

For housing loans, the interest rates that are shown in the table of the Catalogue have been calculated using the Housing Loan Base Rate which is set by the Bank as Euribor 3 months plus 2.00%. For consumer loans and other credit facilities for individuals, the interest rates have been calculated using the Bank Base Rate which is set by the Bank as Euribor 3 months plus 4.00% or the Consumer Loan Base Rate which is set by the Bank as Euribor 3 months plus 4.50%. The rates that are shown in the table of the Catalogue have been calculated with reference to the 3 months Euribor (Euribor 3m), with value date **25th of August 2025**. Indicatively, we specify that the 3 months Euribor (Euribor 3m) at the aforementioned date amounted to **2,026%**.

The Total Debit Interest Rate of each facility that is shown in the table of the Catalogue consists of the interest rate which corresponds to the specific facility, plus the interest margin for the specific product, and is modified accordingly in case there is a change on one or both of these elements. In case of current account excesses and/ or loan arrears, the Bank has the right to charge default interest rate. The default interest rate varies, depending on the type of account and is charged on the amount of the excess or arrears respectively.

For the **A.P.R.** calculation regarding housing loan **Alpha Residence**, are included all costs of arrangement and documentation fees and stamp duty expenses for the financing documents. Expenses for conducting an appraisal of the immovable property and a mortgage registration fee (1%) paid to the Land Registry.

For the granting of the housing loan Alpha Residence it is obligatory for the borrower to provide life insurance and fire/ earthquake insurance for the mortgaged property, which will be assigned in favour of the Bank and the cost of which cannot be estimated in advance, and it is therefore not included in the APR calculation.

For the **A.P.R**. calculation regarding **Alpha Car Loan**, are included all costs of arrangement and documentation fees and stamp duty expenses for the financing documents.

The granting of Alpha Car Loan is subject to the assignment of a comprehensive car insurance policy for the financed car. The cost of the insurance premiums cannot be estimated in advance, and it is therefore not included in the APR calculation. Furthermore the Bank at its sole discretion, may request for the borrower to provide life insurance which will be assigned in favour of the Bank.

Regarding consumer loans not secured by mortgage on an immovable property, the Bank at its sole discretion, may request for the borrower to provide life insurance which will be assigned in favour of the Bank and the cost of which cannot be estimated in advance, and it is therefore not included in the APR calculation.

For the **A.P.R.** calculation regarding **overdraft limits** and **credit cards**, it has been assumed that the repayment of both capital and interest is made with one installment at the end of the credit facility.

The Arrangement and Documentation fees are calculated as defined in the Bank's Charges Catalogue. Stamp duty has been calculated depending on the amount of the Contract. Contracts that deal with amounts from €1 to €5.000 do not bear any stamping charges, contracts that deal with amounts from €5.001 to €170.000 are stamped with 1.5‰ charges on the amount borrowed and contract amounts exceeding €170.000 are stamped with 2‰ charges on the amount borrowed with a maximum stamping charge of €20.000. Additionally, the stamp duty may vary depending on the type of securities that are provided by the customer to the Bank, in the context of the loan agreement.
