This is to certify that Insurers are bound to insure in accordance with the Terms and Conditions contained herein and if a valid and/or eligible Cardholder shall make **any** claim knowing the same to be false or fraudulent, as regards an amount or otherwise, then this cover shall become void and then that claim hereunder shall be forfeited.

When the Insured Person fully charges a Covered Article purchase to their valid and/or eligible Card, this Insurance protects that article if it is lost, stolen or accidentally damaged. The Insured Person is covered up to an amount per occurrence as stated in the Schedule of Compensation herein, provided that the item is not covered under a manufacturer's warranty, or under a shopwarranty, or under any other extended warranty agreement or source of indemnity, such as a household contents insurance.

DEFINITIONS

IMPORTANT GENERAL ADVICE AND SPECIAL TERMS AND CONDITIONS

1. This Addendum of Insurance contains certain Terms, Conditions and Exclusions and the Insured Person(s) failure to comply with them may mean that the Insurer of this Insurance will **not** accept **any** subsequent claim made as the Insurer will **only** pay claims that are substantiated in the manner requested.
2. The Insured Person is responsible for and **must** provide the Insurer or their appointed insurance claim examiner (***Gold Assist***) and/or their **Adjusters** with **all** of the information and documents that they will need to allow them to examine and adjust the claim correctly and so pay the claim fairly and properly.
3. Many claims for lost, stolen or accidentally damaged items are caused by persons **not** being careful enough with their new purchase(s). If the Insured Person does **not** take good care of their property, the Insurers and/or Insurance Claim Examiner may totally, or partially reject, **any** claim subsequently made. Covered Articles are **not** insured if packed in Baggage and otherwise **must** be kept with the Insured Person at **all** times, until finally reaching their normal place of permanent residence.
4. Cover is **not** provided for loss, theft or damage when the Insured Person fails to exercise Due Diligence to avoid or diminish loss or damage to Covered Articles. Due Diligence means the performance of **all** vigilant activity, attentiveness, care and personal control that would in similar circumstances be taken by a reasonable and prudent person in order to guard and protect a Covered Article from loss, theft or damage.
5. Liaison with the Police and **obtaining written Police Reports** to support a claim is the sole responsibility of the valid **Alpha Bank Cardholder** and **not** ***Gold Assist*** or **Altius Insurance Limited**. Theft of articles **must** be reported to the local Police within **24 (twenty four) hours** and a **written Police Report** obtained.
6. **Claims for Damaged Items:**
A Repair Estimate **must** be obtained either stating the cost of repairs or confirming that the article is beyond repair. **Salvage must** be retained for possible inspection together with a **photograph** of the damaged article where appropriate. For further claim evaluation, the Insured Person may be required to send the damaged item to an address designated by ***Gold Assist***, (on behalf of the Insurer), at the Insured Person(s) own expense and within **30 (thirty) days** from the date of request, otherwise the claim will be invalidated. For lost, stolen or damaged property, the Insured Person **must** provide a detailed description of the Covered Article along with its date of purchase and its value, allowing for **any** wear and tear at the time of the incident. **Bills, invoices** or other **proof of values are required** for every article claimed as lost, stolen or damaged within **90 (ninety) days** of purchase.
7. If purchased abroad, Covered Articles are **not** insured if packed in Baggage that the Insured Person checks-in at an airport or other departure zone. These **must** be kept with the Insured Person at **all** times. Should the Insured Person purchase particularly Valuable items abroad which exceed the **Maximum Covered Article Limit** (as stated in the Schedule of Compensation), such purchase(s) should be insured under a separate **Transit Insurance** policy, because this Purchase Protection Insurance **cannot** guarantee that such articles will be covered for their full replacement value if lost, stolen or accidentally damaged.
8.
