# Announcement

## **Alpha Bank Cyprus Ltd supports the Awareness & Prevention Week on Kidney Disease of the Cyprus Association of Kidney Patients' Friends**

Alpha Bank Cyprus Ltd has always been supporting our fellow human beings who face chronic health problems. For this reason, the Bank is again this year the main Sponsor of the Awareness & Prevention Week on Kidney Disease organized by the Cyprus Association of Kidney Patients' Friends.

The Awareness & Prevention Week is held for the 27<sup>th</sup> consecutive year and will take place between Monday 11 and Sunday 17 March 2019, and coincides every year with the International Kidney Day (second Thursday of March).

Events include discussions in radio and television programmes with the participation of nephrologists, raising awareness on organ donation, distribution of informative material on kidney diseases while a fundraising event is organized across Cyprus for the financial support of the Association.

Kidney patients of Cyprus are not alone. With the help and support of the Cyprus Association of Kidney Patients' Friends, Alpha Bank and every Cypriot citizen - male or female - they face their kidney problems with patience and strength and look forward to the future with optimism.

Nicosia, 12<sup>th</sup> March 2019
